God responds to a heart that is truly devoted to Him and in awe of Him. God knows every inner corner of our hearts. We do not fool Him by saying we want something for His glory when secretly our motivations are selfish. We do not fool Him by saying we believe He can work miracles when inwardly we doubt He will follow through. When was the last time you genuinely prayed for God's kingdom to be glorified through your life? When was the last time your prayer requests were centered on bringing God glory instead of fulfilling your desires? If you are finding it difficult to pray selflessly for God's glory, confess this in prayer today. Ask the Holy Spirit to transform your heart to seek God first above all other things and to develop a daily fellowship with Him. Dr. Michael Youssef
