The Albany Gospel Chapel is hosting **Warren Henderson** in a "Church Body Life" conference on Saturday, October 8th. Flyers are available if you would like to invite others and the chapel website has been updated with the schedule and details of the conference.

Assembly order is not bound by culture or time because its source is Christ, the living Head and Builder of the church. He is the focus and attraction of all who belong to the New Testament church. Hearts full of competing interests must give way to hearts devoted to Christ. Thus, the pattern Christ has established best enables the assembly to faithfully respond to the will and guidance of the living Head, the Lord Jesus Christ. There is so much in the religious world that desires to usurp Christ from His rightful place. Sadly, this is no more than man's attempt to put gaudy tinsel upon fine gold. C. H. Mackintosh writes, "We are too prone to regard the Word of God as insufficient for the most minute details connected with His worship and service. This is a great mistake--a mistake which has proved the fruitful source of evils and errors in the professing church. The Word of God is amply sufficient for everything as regards the order and rule of the assembly. And, further, be it remembered, that the divine glory cannot connect itself with aught that is not according to the divine pattern."
